§6701. Fee

NOTE: This Section has been moved from LAC 67:I.1701.

A. There is an annual licensure fee of \$50.

AUTHORITY NOTE: Promulgated in accordance with R.S. 36:477 and R.S. 46:1401-1424.

HISTORICAL NOTE: Promulgated by the Department of Health and Human Resources, Office of the Secretary, Division of Licensing and Certification, LR 13:246 (April 1987), repromulgated by the Department of Social Services, Office of the Secretary, Bureau of Residential Licensing, LR 33:2694 (December 2007), repromulgated by the Department of Social Services, Office of Community Services, LR 35:1570 (August 2009), amended LR 36:799 (April 2010).

§6703. Definition

A. A *maternity home* is defined as "any place in which any person, society, agency, corporation, or facility receives, treats or cares for within a period of six months, more than one illegitimately pregnant woman, either before, during or within two weeks after childbirth. The provisions of this definition shall not include the sixth degree of kindred computed according to civil law, or general or special hospitals in which maternity treatment and care is part of the medical services performed and the care of children only brief and incidental." This definition does not include foster family homes used by agencies in lieu of group care. These foster family homes would come under regulations governing child placing agencies.

B. Additional Definitions

1. Definitions, as used in this Chapter:

Affiliate—

- i. with respect to a partnership, each partner thereof;
- ii. with respect to a corporation, each officer, director and stockholder thereof;
- iii. with respect to a natural person:
 - (a). that person and any individual related by blood, marriage, or adoption within the third degree of kinship to that person;
 - (b). any partnership, together with any or all its partners, in which that person is a partner; and
 - (c). any corporation in which that person an officer, director or stockholder, or holds, directly or indirectly, a controlling interest;
- iv. with respect to any of the above, any mandatory, agent, or representative or any other person, natural or juridical acting at the direction of or on behalf of the licensee or applicant; or
- v. director of any such maternity home.

Age or Developmentally Appropriate Activities or Items—activities or items that are generally accepted as suitable for children of the same chronological age or level of maturity or that are determined to be developmentally appropriate for a child, based on the development of cognitive, emotional, physical, and behavioral capacities that are typical for an age or age group; and in the case of a specific child, activities or items that are suitable for the child based on the developmental stages attained by the child with respect to the cognitive, emotional, physical, and behavioral capacities of the child.

Department (DCFS)—Department of Children and Family Services, formerly the Department of Social Services.

Disqualification Period—the prescriptive period during which the department shall not accept an application from a provider. Any unlicensed operation during the disqualification period shall interrupt running of prescription until the department has verified that the unlicensed operation has ceased.

Effective Date—of a revocation, denial, or non-renewal of a license shall be the last day for applying to appeal the action, if the action is not appealed.

Facility—any place, program, facility or agency operated or required by law to operate under a license, including facilities owned or operated by any governmental, profit, nonprofit, private, or church agency.

License—

- i. any license issued by the department to operate any child care facility or child-placing agency as defined in R.S. 46:1403; or
- ii. any license issued by the Department of Health and Hospitals to operate any facility providing services under Title XIX or XX of the Social Security Act; or
- iii. any license issued by the Department of Health and Hospitals (or formerly issued by the Department of Social Services) to operate any adult residential care facility.

Licensing Section—DCFS, Division of Programs, Licensing Section.

Mandated Reporter—professionals who may work with children in the course of their professional duties and who consequently are required to report all suspected cases of child abuse and neglect. This includes any person who provides training and supervision of a child, such as a public or private school teacher, teacher's aide, instructional aide, school principal, school staff member, social worker, probation officer, foster home parent, group home or other child care institution staff member, personnel of maternity home facilities, a licensed or unlicensed day care provider, any individual who provides such services to a child, or any other person made a mandatory reporter under Article 603 of the Children's Code or other applicable law.

Owner or Operator— individual or juridical entity exercising direct or indirect control over a licensed entity.

a. For licensing purposes the following are considered owners:

i. Individual ownership- individual and spouse who are listed on the Licensing application submitted and have access to the children/youth in care and/or who receive services from the provider and/or is present at any time on the premises of the facility;

ii. Partnership-all limited or general and managers who are listed on the Licensing application submitted and have access to the children/youth in care and/or who receive services from the provider and/or is present at any time on the premises of the facility;

iii. Church owned, university owned or governmental entity-any clergy and/or board members who are listed on the Licensing application submitted and have access to the children/youth in care and/or who receive services from the provider and/or is present at any time on the premises of the facility;

iv. Corporation (includes limited liability companies)- individual(s) who is registered as an officer with the Louisiana Secretary of State and/or listed on the Licensing application submitted and has access to the children/youth in care and/or who receive services from the provider and/or is present at any time on the premises of the facility;

Provider—all owners or operators of a facility, including the director of such facility.

Reasonable and Prudent Parent Standard—standard that a caregiver shall use when determining whether to allow a child in foster care under the responsibility of the State to participate in extracurricular, enrichment, cultural, and social activities. The standard is characterized by careful and sensible parental decisions that maintain the health, safety, and best interests of a child while at the same time encouraging the emotional and developmental growth of the child.

Reasonable and Prudent Parent Training—training that includes knowledge and skills relating to the reasonable and prudent parent standard for the participation of the child in age or developmentally appropriate activities. This includes knowledge and skills relating to the developmental stages of the cognitive, emotional, physical, and behavioral capacities of a child and knowledge and skills relating to applying the standard to decisions such as whether to allow the child to engage in social, extracurricular, enrichment, cultural, and social activities. Activities include sports, field trips, and overnight activities lasting one or more days. Also included is knowledge and skills in decisions involving the signing of permission slips and arranging of transportation for the child to and from extracurricular, enrichment, and social activities.

Reasonable Suspicion— suspicion based on specific and articulable facts which indicate that an owner, or current or potential employee or volunteer has been investigated and determined to be the perpetrator of abuse or neglect against a minor resulting in a justified and/or valid finding prior to official notification from child welfare whether the person is or is not listed on the state central registry.

Staff—all full or part-time paid or unpaid staff who perform services for the maternity home and have direct or indirect contact with children at the facility. Facility staff includes the director and any other employees of the facility including, but not limited to the cook, housekeeper, driver, custodian, secretary, and bookkeeper.

State Central Registry— a subsystem of the State Repository that maintains information on perpetrators of child abuse and neglect with valid findings on tiers I, II, and III of the Child Welfare Tiered Validity System.

Unlicensed Operation—operation of any child care facility or child-placing agency, adult residential care facility, or transitional youth residence, at any location, without a valid, current license issued by the department.

2. Disqualification of Facility and Provider

a. If a facility's license is revoked or not renewed due to failure to comply with state statutes and licensing rules, the department shall not accept a subsequent application from the provider for that facility or any new facility for a minimum period of two years after the effective date of revocation or non-renewal or a minimum period of two years after all appeal rights have been exhausted, whichever is later (the disqualification period). Any pending application by the same provider shall be treated as an application for a new facility for purposes of this Section and shall be denied and subject to the disqualification period. Any subsequent application for a license shall be reviewed by the secretary or their designee prior to a

decision being made to grant a license. The department reserves the right to determine, at its sole discretion, whether to issue any subsequent license.

b. Any voluntary surrender of a license by a facility facing the possibility of adverse action against its license (revocation or non-renewal) shall be deemed to be a revocation for purposes of this rule, and shall trigger the same disqualification period as if the license had actually been revoked.

c. In addition, if the applicant has had a substantial history of non-compliance, including but not limited to revocation of a previous license, operation without a license, or denial of one or more previous applications for licensure, the department may refuse to accept a subsequent application from that applicant for a minimum period of two years after the effective date of denial.

d. With respect to an application in connection with the revoked, denied, or not renewed facility, the disqualification period provided in this Section shall include any affiliate of the provider.

AUTHORITY NOTE: Promulgated in accordance with R.S. 36:477 and R.S. 46:1401 et seq.

3. The owner or director of a maternity home shall be required to call and notify law enforcement personnel and the Licensing Section management staff if they have knowledge that a registered sex offender is on the premises of the maternity home. The verbal report shall be followed by a written report to the Licensing Section within 24 hours. The owner or director of a maternity home shall be required to call and notify law enforcement personnel if they have knowledge that a registered sex offender is within 1,000 feet of the maternity home as required by R.S. 14:91.1.

B. State Central Registry

1. All owners shall have documentation of a state central registry clearance as required in Section 6712.

C. Reasonable and Prudent Parent Standard

1. The provider shall designate in writing at least one on-site staff person as the authorized representative to apply the reasonable and prudent parent standard to decisions involving the participation of a child who is in foster care and placed in the facility in age or developmentally appropriate activities. The staff person(s) designated as the authorized representative shall be at the licensed location at all times during the facility's hours of operation. Licensing shall be notified in writing within five calendar days if there is a change to one of the designated representatives.

2. The authorized representative shall utilize the reasonable and prudent parent standard when making any decision involving the participation of a child who is in foster care and placed in the facility in age or developmentally appropriate activities.

3. The authorized representative shall receive training or training materials shall be provided on the use of the reasonable and prudent parent standard. Documentation of the reasonable and prudent parenting-training shall be maintained. The reasonable and prudent parent training or training materials, as developed or approved by DCFS, shall include, but is not limited to the following topic areas:

- a. age or developmentally appropriate activities or items;
- b. reasonable and prudent parent standard;
- c. role of the provider and of DCFS; and
- d. allowing for normalcy for the child while respecting the parent's residual rights.

AUTHORITY NOTE: Promulgated in accordance with R.S. 46:1401 et seq.

HISTORICAL NOTE: Promulgated by the Department of Children and Family Services, Division of Programs, Licensing Section, LR 38:969 (April 2012), amended LR 42:220 (February 2016).

1. respect for the confidential nature of information provided by expectant mother and other agencies. Divulging identifying information about the expectant mother or her baby to anyone other than professional social casework staff and judicial agencies is prohibited. Information may be provided to other social casework staff and judicial agencies only when necessary for planning for the mother or the baby's welfare. Information about the mother may be given to other professional persons such as physicians or attorneys with the mother's written permission. Honesty in all dealing with expectant mothers, with other organizations and the public, including the keeping of agreements made with each;
2. the fulfilling of any responsibility accepted by the maternity home from courts of law;
3. utilizing funds for the stated purposes of the maternity home;
4. honoring contracts and prompt payment of bills.

AUTHORITY NOTE: Promulgated in accordance with R.S. 36:477 and R.S. 46:1401-1424.

HISTORICAL NOTE: Promulgated by the Department of Health and Human Resources, Office of the Secretary, Division of Licensing and Certification, LR 13:246 (April 1987), repromulgated by the Department of Social Services, Office of the Secretary, Bureau of Residential Licensing, LR 33:2696 (December 2007), repromulgated by the Department of Social Services, Office of Community Services, LR 35:1572 (August 2009), amended LR 36:801 (April 2010).

§6712. State Central Registry

A. On October 1, 2018, and no later than October 5, 2018, provider shall submit a list of all owners including board members, contractors, and all staff (paid, non-paid, and volunteers) employed/providing services as of October 1, 2018, to Licensing management staff and shall attest that the information submitted is true and correct. The list shall be signed and dated by the director on file with the Licensing section or by the owner. In addition, provider shall submit a list of all owners, board members, contractors,

and staff (paid, non-paid, and volunteers) that have resided in another state within the previous five years which shall include the individual's name and state(s) in which the individual resided. The list shall be signed and dated by the director on file with the Licensing section or by the owner. If no owner, contractor, or staff resided in another state within the previous five years, provider shall submit a signed statement attesting to such to Licensing section management staff.

B. Current owners as of October 1, 2018

1. Effective October 1, 2018, and in accordance with R.S. 1414.1, provider shall submit a request for each owner including board members to DCFS Child Welfare to conduct a check of the state central registry. The request shall be submitted to Child Welfare no later than October 15, 2018. For owners including board members who have resided in another state within the proceeding five years, provider shall submit a request to that state's child abuse and neglect registry no later than October 15, 2018. Documentation of submission shall be available for review.

2. A search of the state central registry will determine if the owner is currently listed on the state central registry as a perpetrator of valid (justified) abuse and/or neglect. No person who is recorded on any state central registry with a valid (justified) finding of abuse and/or neglect of a child shall be eligible to own, operate, or participate in the governance or management of the maternity home.

3. Provider shall submit a request to Child Welfare every five years from the issue date noted on the notification form for all owners including board members and at any time upon the request of DCFS when reasonable suspicion exists that an individual may be listed on the state central registry. If an owner resides in another state and is licensed to operate a maternity home in the state of Louisiana, provider shall submit a request to that state's child abuse and neglect registry every five years from the issue date on the previous year's registry check form.

4. Upon notification from Child Welfare or any other state that the owner is not listed on the state central registry, the provider shall maintain on file the notification(s) that his/her name does not appear on the registry.

5. Upon notification to the maternity home from Child Welfare or any other state that the owner is listed on the state central registry, the owner shall no longer be eligible to own, operate, or participate in the governance or management of the maternity home. The owner can voluntarily close the business or if he/she chooses not to close the business, the license shall be immediately revoked. If the owner is a member of the board or clergy, the provider shall submit a signed, dated statement to Licensing within 24 hours or no later than the next business day indicating that the individual has resigned or been relieved of his position with an effective date of the resignation/removal. If this statement is not received by Licensing within the aforementioned timeframe, the license shall be immediately revoked. Provider shall also submit documentation to Licensing within seven calendar days verifying that the individual's name has been removed from the Secretary of State's website.

6. If after an initial notification form is received by the maternity home from Child Welfare noting that the owner is not listed on the state central registry and due to a new valid finding, the owner receives a subsequent notice that he/she is listed on the state central registry and advises the maternity home of the new information prior to receiving official notification from Child Welfare, Licensing shall be notified within 24 hours or no later than the next business day, whichever is shorter. The owner shall be directly supervised by a paid staff (employee) of the maternity home at any and all times when he/she is on the premises and/or in the presence of a child/youth. The employee responsible for supervising the individual shall not be suspected to be a perpetrator with a justified (valid) determination of abuse and/or neglect. Under no circumstances shall the owner, with the valid (justified) finding of abuse and/or neglect, be left alone and unsupervised with a child/youth pending the official determination from Child Welfare that the individual is or is not listed on the state central registry.

7. State central registry clearances are not transferable between owners.

C. Prospective owners effective October 1, 2018

1. Effective October 1, 2018, and in accordance with R.S. 1414.1, an inquiry of the state central registry for all owners (including board members) and operators shall be conducted prior to a license being issued. If the owner resided in another state within the proceeding five years, provider shall request a check and obtain information from that state's child abuse and neglect registry. State central registry clearances shall be dated no earlier than 45 days prior to the license being issued.

2. A search of the state central registry will determine if the owner is currently listed on the state central registry as a perpetrator of valid (justified) abuse and/or neglect. No person who is recorded on any state's child abuse and neglect registry with a valid (justified) finding of abuse or neglect of a child shall be eligible to own, operate, or participate in the governance or management of the Maternity home.

3. Provider shall submit a request to Child Welfare every five years from the issue date noted on the Child Welfare notification form for all owners including board members and at any time upon the request of DCFS if reasonable suspicion exists that an individual may be listed on the state central registry. If an owner resides in another state and is licensed to operate a maternity home in the state of Louisiana, provider shall submit a request to that state's child abuse and neglect registry every five years from the issue date on the previous year's registry check form.

4. Upon notification from Child Welfare or any other state that the owner(s) is not listed on the state central registry, the provider shall maintain on file the notification(s) that his/her name does not appear on the registry with a justified (valid) finding of abuse and/or neglect.

5. Upon notification to the provider from Child Welfare or any other state that the owner is listed on the state central registry, the owner shall no longer be eligible to own, operate, or participate in the governance or management of the Maternity home. The owner can voluntarily withdraw the application for licensure or if he/she chooses not to withdraw the application, the application shall be immediately denied. If the individual with the valid (justified) finding of abuse and/or neglect is a member of the maternity home board, the provider shall submit a signed, dated statement to Licensing within 24 hours or no later than the next business day indicating that the board member has resigned his/her position on the board/been relieved of his position on the board with the effective date of the resignation/removal. Within seven calendar days, provider shall also submit documentation verifying that the individual's name has been removed from the Secretary of State's website to Licensing. After receipt of the statement, the application for licensure can continue to be processed.

6. If after an initial notification form is received by maternity home from Child Welfare noting that the owner is not listed on the state central registry and due to a new valid finding against the owner receives a subsequent notice (issued after the provider was licensed) that he/she is listed on the state central registry and the owner advises the maternity home of the new information prior to their appeal rights being exhausted, Licensing shall be notified within 24 hours or no later than the next business day, whichever is shorter. The owner, shall be directly supervised by a paid staff (employee) of the maternity home at any and all times when he/she is on the premises or in the presence of a child/youth. The employee responsible for supervising the individual shall not be suspected to be a perpetrator with a justified (valid) determination of abuse and/or neglect. Under no circumstances shall the owner, with the valid (justified) finding of abuse and/or neglect, be left alone and unsupervised with a child/youth pending the official determination from Child Welfare that the individual is or is not listed on the state central registry.

7. State central registry clearances are not transferable between owners.

D. Current staff as of October 1, 2018

1. Effective October 1, 2018, and in accordance with R.S. 1414.1, provider shall submit a request for each currently employed staff (paid and non-paid staff and volunteers) to DCFS Child Welfare to conduct a check of the state central registry. The request shall be submitted to Child Welfare no later than October 15, 2018. For staff who have resided in another state within the proceeding five years, provider shall request information from that state's child abuse and neglect registry no later than October 15, 2018. Documentation of submission shall be available for review.

2. A search of the state central registry will determine if the individual is currently listed on the state central registry as a perpetrator of valid (justified) abuse and/or neglect. No person who is recorded on any state's child abuse and neglect registry shall be eligible for employment or to provide volunteer services with the agency.

3. Provider shall submit a request to Child Welfare every five years from the issue date noted on the Child Welfare notification form for all staff and at any time upon the request of DCFS if reasonable suspicion exists that a staff may be listed on the state central registry. If a person resides in another state and is employed at a maternity home in the state of Louisiana, provider shall submit a request to that state's child abuse and neglect registry every five years for this staff from the issue date on the previous year's registry check form.

4. Upon notification from Child Welfare or any other state that the staff is not listed on the state central registry, the provider shall maintain on file the notification(s) that the staff's name does not appear on the registry.

5. Upon notification to the provider from Child Welfare or any other state that the staff is listed on the state central registry, the staff shall no longer be eligible for employment with the maternity home. The provider shall submit a signed, dated statement to Licensing within 24 hours or no later than the next business day indicating that the staff has been relieved of his/her position at the agency with an effective date of the termination. If this statement is not received by Licensing within the aforementioned timeframe, the license shall be immediately revoked.

6. If after the initial notification form is received by provider from Child Welfare noting that the staff is not listed on the state central registry and due to a new valid finding the staff receives a subsequent notice that he/she is listed on the state central registry and advises the provider of the new information prior to their appeal rights being exhausted, Licensing shall be notified within 24 hours or no later than the next business day, whichever is shorter. The staff with the valid (justified) finding of abuse and/or neglect, at any and all times when he/she is on the premises and/or in the presence of a child/youth, shall be directly supervised by another paid staff (employee) of the maternity home. The employee responsible for supervising the individual shall not be suspected to be a perpetrator with a justified (valid) determination of abuse and/or neglect. Under no circumstances shall the staff with the valid (justified) finding of abuse and/or neglect be left alone and unsupervised with a child/youth pending the official determination from Child Welfare that the individual is or is not listed on the state central registry.

7. State central registry clearances are not transferable between owners.

E. Prospective staff effective October 1, 2018

1. Effective October 1, 2018, and in accordance with R.S. 1414.1, an inquiry of the state central registry for all staff (paid, non-paid and volunteers) shall be conducted prior to employment being offered to a potential hire or volunteer services provided. Staff persons who have resided in another state within the proceeding five years, provider shall request a check and obtain information from that state's child abuse and neglect registry. State central registry clearances shall be dated no earlier than 45 days prior to the staff being present on the premises or having access to children/youth.

2. A search of the state central registry will determine if the staff is currently listed on the state central registry as a perpetrator of valid (justified) abuse and/or neglect. No person who is recorded on any state's child abuse and neglect registry with a valid (justified) finding of abuse and/or neglect shall be eligible for employment or to provide volunteer services in a licensed maternity home.

3. Provider shall submit a request to Child Welfare every five years for staff from the issue date noted on the notification form and at any time upon the request of DCFS if reasonable suspicion exists that a staff may be listed on the state central registry. If a person resides in another state and is employed at a maternity home in the state of Louisiana, provider shall submit a request to that state's child abuse and neglect registry every five years for this staff from the issue date on the previous year's registry check form.

4. Upon notification from Child Welfare or any other state that the staff is not listed on the state central registry, the provider shall maintain on file the notification(s) that the staff's name does not appear on the registry with a justified (valid) finding of abuse and/or neglect.

5. Upon notification to the provider from Child Welfare or any other state that the staff is listed on the state central registry, the staff shall no longer be eligible for employment or to provide volunteer services for the maternity home. The provider shall submit a signed, dated statement to Licensing within 24 hours or no later than the next business day indicating that the staff with the valid (justified) finding of abuse and/or neglect will not be hired for a position at the agency. If this statement is not received by Licensing within the aforementioned timeframe, the application shall be denied or license shall be immediately revoked.

6. If after the initial notification form is received by the maternity home from Child Welfare noting that the staff is not listed on the state central registry and due to a new valid finding, the staff receives a subsequent notice that he/she is listed on the state central registry (issued after the provider was licensed) and advises the provider of the new information prior to their appeal rights being exhausted, Licensing shall be notified within 24 hours or no later than the next business day, whichever is shorter. The staff with the valid (justified) finding of abuse and/or neglect shall be directly supervised by another paid staff (employee) of the maternity home, at any and all times when he/she present on the premises and/or is in the presence of a child/youth. The employee responsible for supervising the individual shall not be suspected to be a perpetrator with a justified (valid) determination of abuse and/or neglect. Under no circumstances shall the staff with the valid (justified) finding of abuse and/or neglect be left alone and unsupervised with a child/youth pending the official determination from Child Welfare that the individual is or is not listed on the state central registry.

7. State central registry clearances are not transferable between owners.

F. Current contractors as of October 1, 2018

1. Effective October 1, 2018, and in accordance with R.S. 1414.1, provider shall submit a request to DCFS Child Welfare for a check of the state central registry for each contractor. The request shall be submitted to Child Welfare no later than October 15, 2018. For contractors who have resided in another state within the proceeding five years, provider shall request a check no later than October 15, 2018 and obtain information from that state's child abuse and neglect registry. Documentation of submission shall be available for review.

2. A search of the state central registry will determine if the individual is currently listed on the state central registry as a perpetrator of valid (justified) abuse and/or neglect. No person who is recorded on any state's child abuse and neglect registry shall be eligible to provide contracted services for the maternity home.

3. Provider shall submit a request to Child Welfare every five years for contractors from the issue date noted on the notification form and at any time upon the request of DCFS when reasonable suspicion exists

that an individual may be listed on the state central registry. If a contractor resides in another state but provides services in a maternity home in the state of Louisiana, provider shall submit a request to that state's child abuse and neglect registry every five years for this contractor from the issue date on the previous year's registry check form.

4. Upon notification from Child Welfare or any other state that the individual is not listed on the state central registry, the provider shall maintain on file the notification(s) that the individual's name does not appear on the registry with a justified (valid) finding of abuse and/or neglect.

5. Upon notification to the provider from Child Welfare or any other state that the individual is listed on the state central registry, the contractor shall no longer be eligible to provide services for the maternity home. The provider shall submit a signed, dated statement to Licensing within 24 hours or no later than the next business day indicating that the individual will no longer provide services to the agency and the effective date of the termination of services. If this statement is not received by Licensing within the aforementioned timeframe, the license shall be immediately revoked.

6. If after the initial notification form is received by provider from Child Welfare noting that the individual is not listed on the state central registry and due to a new valid finding the contractor receives a subsequent notice that he/she is listed on the state central registry and advises the provider of the new information prior to their appeal rights being exhausted, Licensing shall be notified within 24 hours or no later than the next business day, whichever is shorter. The individual with the valid (justified) finding of abuse and/or neglect shall be directly supervised by a paid staff (employee) of the maternity home at any and all times when he/she is on the premises or in the presence of a child/youth. The employee responsible for supervising the individual shall not be suspected to be a perpetrator with a justified (valid) determination of abuse and/or neglect. Under no circumstances shall the contractor with the valid (justified) finding of abuse and/or neglect be left alone and unsupervised with a child/youth pending the official determination from Child Welfare that the individual is or is not listed on the state central registry.

7. State central registry clearances are not transferable between owners.

G. Prospective contractors providing services effective October 1, 2018

1. Effective October 1, 2018, and in accordance with R.S. 1414.1, an inquiry of the state central registry for all contractors shall be conducted prior to providing contracted services or having access to children/youth. For contractors who have resided in another state within the proceeding five years, provider shall request a check and obtain information from that state's child abuse and neglect registry. State central registry clearances shall be dated no earlier than 45 days prior to the individual providing services or having access to children/youth.

2. A search of the state central registry will determine if the individual is currently listed on the state central registry as a perpetrator of valid (justified) abuse and/or neglect. No person who is recorded on any state's child abuse and neglect registry with a valid (justified) finding of abuse and/or neglect shall be eligible to provide services for the maternity home.

3. Provider shall submit a request to Child Welfare every five years for contractors from the issue date noted on the notification form and at any time upon the request of DCFS if reasonable suspicion exists that a staff may be listed on the state central registry. If a contractor resides in another state but provides services in a maternity home in the state of Louisiana, provider shall submit a request to that state's child abuse and neglect registry every five years for this contractor from the issue date on the previous year's registry check form.

4. Upon notification from Child Welfare or any other state that the individual is not listed on the state central registry, the provider shall maintain on file the notification(s) that the individual's name does not appear on the registry with a justified (valid) finding of abuse and/or neglect.

5. The state central registry clearance form shall be dated no earlier than 45 days of the individual being present on the maternity home premises or having access to children/youth.

6. Upon notification to the provider from Child Welfare or any other state that the contractor is listed on the state central registry, the individual shall no longer be eligible to provide services for the maternity home. The provider shall submit a signed, dated statement to Licensing within 24 hours or no later than the next business day indicating that the individual with the valid (justified) finding of abuse and/or neglect has been relieved of his duties with the maternity home with the effective date of termination of services. If this statement is not received by Licensing within the aforementioned timeframe, the license shall be immediately revoked.

7. If after the initial notification form is received by provider from Child Welfare noting that the individual is not listed on the state central registry and due to a new valid finding, the contractor receives a subsequent notice that he/she is listed on the state central registry (issued after the provider was licensed) and advises the maternity home of the new information prior to their appeal rights being exhausted, Licensing shall be notified within 24 hours or no later than the next business day, whichever is shorter. The individual with the valid (justified) finding of abuse and/or neglect shall be directly supervised by a paid staff (employee) of the maternity home at any and all times when he/she present on the premises and/or is in the presence of a child/youth. The employee responsible for supervising the individual shall not be suspected to be a perpetrator with a justified (valid) determination of abuse and/or neglect. Under no circumstances shall the individual with the valid (justified) finding of abuse and/or neglect be left alone and unsupervised with a child/youth pending the official determination from Child Welfare that the individual is or is not listed on the state central registry.

8. State central registry clearances are not transferable between owners.

H. Reasonable Suspicion

1. Any information received or knowledge acquired by the provider that a current owner, contractor, volunteer and/or staff, is a perpetrator of abuse and/or neglect after October 1, 2018, with a justified (valid) determination of abuse and/or neglect prior to receipt of official notification from Child Welfare, shall be verbally immediately reported to Licensing management staff and followed up in writing no later than the close of business on the next business day. Prior to receipt of the official notification and immediately upon the knowledge that a justified (valid) finding has been issued by DCFS, the individual shall be directly supervised by a paid staff (employee) of the maternity home, at any and all times when he/she is present on the premises and/or is in the presence of a child/youth. The employee responsible for supervising the individual shall not be suspected to be a perpetrator with a justified (valid) determination of abuse and/or neglect. Under no circumstances shall the individual with the valid (justified) finding of abuse and/or neglect be left alone and unsupervised with a child/youth pending the official determination from Child Welfare that the individual is or is not listed on the state central registry.

§6713. Social Services

NOTE: This Section has been moved from LAC 67:I.1713.

A. A social study shall be completed for every expectant mother accepted for care by the maternity home. The social study shall be completed by a caseworker on the maternity home's staff or by a caseworker of the referring agency. When she is accepted through correspondence or on an emergency

basis, the expectant mother shall be interviewed by the maternity home caseworker within a week after arrival. An immediate interview however, is preferable.

B. Intake

1. The intake study shall include social information establishing that the expectant mother is in need of the services of the maternity home.

2. The following identifying information is essential: name, date of birth, nationality, religion, education, occupation, health history, physical appearance of mother, marital status, and home address.

3. The social worker shall discuss with the expectant mother the following:

a. the regulations of the maternity home and her responsibilities;

b. the services available to her through the maternity home and community;

c. agreement that while she is in the care of the maternity home she may plan either to keep or to release her baby. The narrative record shall clearly show that a full discussion was held with the expectant mother regarding alternatives. The expectant mother should understand that should she not surrender her child to the home, the home will release the child only to the mother or to a licensed agency.

4. The agreement shall be in writing when a charge for care is made.

C. Continuing Casework

1. Following admission, the social worker shall counsel with the expectant mother as often as her individual needs require. The caseworker will begin to establish a relationship in order to gain an understanding of the expectant mother's total situation and the meaning of the pregnancy for the expectant mother.

2. Interviewing shall be focused on the expectant mother's individual problems and on plans for the baby. In general, the treatment plan will be focused on preparing the expectant mother for a return to useful community life and providing her with information regarding the resources available in her local community.

3. The decision to surrender or take her baby should be made by the mother before, or at the time of discharge. Should the expectant mother desire postponement of her decision regarding surrender, the consideration of allowing more time shall be made on an individual basis by the social worker. In any event, adequate discharge plans shall be made.

4. The social worker shall know at the time of discharge what plans the expectant mother has for living arrangements, employment, or school. It is the social worker's responsibility to assist the expectant mother directly or through referral to other agencies when she needs help in these areas.

D. Records

1. A narrative record shall be maintained which incorporates the information required in Subsections A and B of this Section. Copies of correspondence, agreements, and other forms shall be filed in this folder. The confidential nature of these records shall be respected, and these records are for the use of professional casework staff only. Social records shall be accessible only to the appropriate staff and shall be maintained in locked files.

§6715. Care in the Home

NOTE: This Section has been moved from LAC 67:I.1715.

A. Health Aspects

1. Responsibility for the health supervision of the maternity home shall be placed in a licensed physician or a group of licensed physicians appointed by the governing body. A physician shall approve written procedures governing the following:

a. medications and treatment that may be given without specific orders from a licensed physician or by a physician designated by him;

b. circumstances under which a physician shall be called;

c. action to be taken in case of emergency;

d. a special diet if required; and

e. household tasks that may be required. The physician shall review annually the health practices within the maternity home and certify in writing that they meet the licensing requirements.

2. Unless the maternity home requires, prior to admission, a statement from a physician that the expectant mother is free from communicable diseases, the maternity home shall have an isolation facility available. The expectant mother admitted without the statement from the physician shall be placed in isolation until she has had a complete physical examination to determine her freedom from communicable diseases.

3. The expectant mother shall be placed immediately under medical supervision. She shall have a physical examination within a week after admission to the home and at least monthly prior to confinement and before discharge. Should she leave the home before she is medically discharged, this fact shall be recorded on her medical record.

4. Nourishing food, attractively served, shall be provided. The diet shall be planned in consultation with a nurse, or if a special diet, the physician in charge. Necessary changes in diet prescribed in individual cases by the physician shall be followed.

5. A complete medical record shall be maintained on each expectant mother when she delivers at the maternity home. The case worker or nurse is responsible for maintaining a record for each expectant mother who delivers in public or private hospitals. This record shall contain dates of visits to the medical facility and a summary of medical consultation. Delivery information on the infant shall be recorded. These records shall be maintained in locked files.

6. When an infant is admitted for care into the home's nursery, all standards for child caring institutions apply.

E. Program

1. Regulations

a. The regulations of the maternity home shall not infringe on the expectant mother's privilege of writing and receiving uncensored mail and visits from her family.

b. The same food shall be served to the staff and expectant mothers when they dine together, except when special diets must be prepared for any of the expectant mothers.

c. A mother who wishes to give personal attention to her baby, such as bathing and feeding, shall be permitted to do so.

d. An expectant mother shall be allowed a choice of duties, insofar as possible.

2. Recreation

a. A recreational program shall be provided which will meet the individual needs of the expectant mothers. This program shall consist of a well-stocked library, magazines, newspapers, games, radio or television, piano, and record players. It is desirable to encourage arts and crafts with proper leadership. There shall be provision for outdoor activities. The yard should provide for privacy and be equipped with comfortable outdoor furniture. Expectant mothers interested in community activities should be encouraged to participate.

3. Education

a. Every effort shall be made to arrange continued education for girls under 16 and for older girls whose schooling has been interrupted. Vocational training when appropriate should be encouraged. Household duties should have an educational value.

4. Religion

a. Expectant mothers shall have the privilege of attending the church of their choice. Religious services should be available in the maternity home to those expectant mothers wishing to attend. An expectant mother wishing consultation with her pastor shall be provided the opportunity.

§6717. Plant and Equipment

NOTE: This Section has been moved from LAC 67:I.1717.

A. Maintenance

1. The building, grounds, and equipment shall be kept clean and in good repair.

B. Location. Local zoning ordinances should be followed.

C. Allocation of Space

1. The room assigned expectant mothers shall be clean, airy, and inviting. Each expectant mother shall have a separate bed, and there shall be at least 4 feet between beds. Each expectant mother shall have adequate closet and drawer space for personal possessions in the room assigned to her. There shall

be toilet and bath facilities available in the ratio of one to six expectant mothers. Any maternity home established or rebuilt shall be designed for a maximum of not more than four girls to a room.

2. A recreation room for the exclusive use of the expectant mothers shall be provided.
3. A room insuring privacy where expectant mothers can visit with their families shall be provided.
4. An isolation room and bath for expectant mothers admitted prior to examination for communicable diseases shall be provided.
5. When facilities for delivery are provided in the maternity home, separate and properly equipped quarters approved by the home's physician shall be provided.
6. When the home has facilities for delivery, a recovery room shall be provided on the same floor as the delivery room unless an elevator is available.
7. Separate, private offices shall be provided for the casework staff when the offices are housed in the maternity home. Facilities for the use of a private telephone should be provided.
8. Living quarters separate from those occupied by the expectant mothers shall be provided for auxiliary staff (nursery attendants, domestic staff, and maintenance staff), if they are required to live in.

D. Safety Aspects

1. All requirements of the local state fire prevention and health authorities shall be met. An annual inspection by each of the authorities shall be requested by a designated authority of the maternity home and the report shall be submitted to the Division of Licensing and Certification.

AUTHORITY NOTE: Promulgated in accordance with R.S. 36:477 and R.S. 46:1401-1424.
