## **KEEP THIS PAGE FOR YOUR RECORDS**

#### What will we do with the information that you provide?

- Information you give us on your application will be verified by federal, state, and local offices including computer cross-matching with other agencies. Someone from our agency may contact other people in order to verify your eligibility for benefits.
- The alien status of household members is subject to verification through the United States Citizenship and Immigration Service (USCIS) and may affect eligibility and benefit amount.

#### Why do we need your Social Security Number and are you required to provide it?

- The collection of information requested on the application form, including Social Security Numbers (SSNs) of household members, is voluntary and authorized under the Food and Nutrition Act of 2008 (7 U.S.C. 2011-2036), as amended. Failure to provide required information including SSNs for household members will result in ineligibility for SNAP and cash assistance.
- SSNs are used in state and federal program reviews, audits, and computer-matching with other agencies such as Louisiana Workforce Commission, Social Security Administration, Internal Revenue Service, etc. through the State Income and Eligibility Verification System.
- SSNs are used to:
  - o collect information from other sources,
  - o check identity of household members,
  - o determine whether your household is eligible, and
  - o prevent households from getting more benefits than they are entitled to receive.
- Under the Privacy Act of 1974 (P.L. 93-579), SSNs may be released for various reasons including those directly connected to the administration of the Child Support Enforcement Program.

#### **Rights and Responsibilities**
