

Question	Answer
<p>On page eight of the RFP, it states that providers may not use level systems or token economies in their homes. Our evidence-based model of care includes a point system, with the goal that youth will fade off the system when the achievement is met, would this model be acceptable to include in a response to this funding opportunity?</p>	<p>Please submit details explaining the your evidenced-based practice model of behavior modification technique, along with supporting documentation. Reviewers will consider the submittal for demonstration of how the proposed approach and methodology does align with and support the DCFS permanency plan; incorporates a collaborative planning approach in caring for children; will not have a level systems or token economies in favor of implementing an evidence based approach to address behaviors rooted in trauma; implements the reasonable and prudent parent standard of normalcy; and coordinates transition between the levels of care to support continuity of care, information-sharing and aftercare support</p>
<p>On page 18 of the RFP, it states the proposer must submit five (6) copies (one (1) original and five (5) copies) to the Solicitation Coordinator; can you provide clarification if the proposer should submit five or six copies of the proposal, in addition to the one original copy of the proposal?</p>	<p>The proposer must submit six (6) copies (one (1) original and five (5) copies) to the Solicitation Coordinator.</p>
<p>In section 5.2 on page 20 of the RFP, it states that the Board Resolution Form should be completed and submitted with proposals, where can we access the Board Resolution Form?</p>	<p>There is no "DCFS Board Resolution Form". Proposers are requested to submit a copy of their Board Resolution. Please refer to section 4.1 "The Proposer shall include proof that the individual who signs the proposal has the authority to obligate the organization/agency which could include a certified copy of a board resolution granting such authority."</p>
